

## LAND USE

This is a composite map developed from existing land use maps and documents with modifications incorporating specific Northwest Alaska land use. Minimum mapping resolution is 320 acres; land use activities encompassing less than 320 acres are shown as points. See the technical documentation available through the Department of Natural Resources, Division of Geological and Geophysical Surveys for detailed descriptions of the mapped units, compilation methods, and sources.

AL Other Agricultural Land

MINING

| SITE # | STATUS | TYPE | COMMODITIES | SIZE | ACCESS |
|---|---|---|---|---|---|
| MC1 | 5 | PL | AU | SM | FP,TT |
| MC2 | 5 | PL | AU | SM | BO |

STATUS
1 = 1985--1982
2 = 1981--1979
3 = 1978--1969
4 = 1960--1969
5 = pre 1960
9 = status unknown

TYPE
EX = Exploration Mine
PIT = Hard Rock Pit Mine
PL = Placer Mine
SH = Hard Rock Shaft Mine

COMMODITIES
AG = Silver
AU = Gold
PB = Lead
SN = Tin
ZN = Zinc
JD = Jade

SIZE
SM = Small: 4 or less people; 2 pieces of equipment
MD = Medium: 5 to 10 people; 4 pieces of equipment
LG = Large: 11 or more people; 5 or more pieces of equipment

ACCESS
A = Airstrips
BO = Boat
FL = Float Plane
HE = Helicopter
RD = Road
TT = Tractor Trail
