

**MINUTES OF THE ALASKA SEISMIC HAZARDS SAFETY COMMISSION MEETING
HELD SEPTEMBER 8, 2006**

I. OPENING BUSINESS

1. Call to Order
John Aho, Chairman, called the meeting to order at 10:00 a.m.
2. Roll call
Commission members John Aho, Gary Carver, Rod Combellick, Roger Hansen, Linda Freed, Dean Maxwell, Laura Kelly, and Roger Schnell were present.
Others present: Vickie Butherus, Division of Geological & Geophysical Surveys (DGGS). Commission member Nottingham was absent.
3. Agenda was approved as written.
4. Introduction of Chuck Kenley, Peratrovich, Nottingham & Drage (PND)
5. Commission member Carver MOVED, seconded by Commission member Freed, to approve the Minutes as is. The motion passed by voice vote.

II. PRESENTATIONS

- Chuck Kenley, PND - building codes for schools.
 - Commission member Hansen - monthly seismicity report and a presentation explaining earthquake magnitude scales and their development.
 - Commission member Maxwell - Earthquake Insurance Perspective.
 - Commission member Kelly - Legislative History Pertaining to the Seismic Safety of Schools.
 - Commission Chairman Aho distributed a letter from Eddy Jeans, Director of Division of Education and Early Development, regarding a capital improvement program (CIP) for school districts to apply for state funding for school related major maintenance projects.
 - Commission Chairman Aho - Alaskan Schools Seismic Risk Mitigation Work Plan
 - Commission member Combellick - Alaska Earthquake Scenario, planning outline.
- Handouts were given for most all presentations. They are available upon request.

III. OLD BUSINESS

- Commission member Combellick developed a proposed letterhead for the ASHSC. All agreed to adopt the proposal as the official ASHSC letterhead.
- According to the Governor's office and DNR Commissioner's office, the Commission may develop a logo, but it can not be used on official state letterhead. A logo may be used on other products of the Commission, such as reports and brochures. Commission member Hansen will look into having a Geophysical Institute employee develop a logo.
- Commission Chairman Aho will write a letter to Knik Arm Bridge and Toll Authority requesting a presentation at the end of each phase of the design process.

IV. MEETINGS OF INTEREST

- Advanced National Seismic System (ANSS), Sept 25-28; Commission member Hansen will email a draft of the ANSS performance standards to Commission members.

- State Emergency Response Commission (SERC), Sept. 13, 14, Fairbanks.
- National Tsunami Hazard Mitigation Program, Silver Spring, Maryland, October 31-November 2

V. NEW BUSINESS

- Chartering process meeting was held September 7th, 2006. A copy will be sent out via email to be voted on at the next regularly scheduled meeting.
- DGS submitted its preliminary FY08 budget request, including a GF increment for the ASHSC and a Capital Improvements Project (CIP) request for funding an earthquake scenario. Because of the upcoming transition to a new administration, GF increments and CIP requests will be put on hold until the new governor takes office.
- Future presentations – Commission Chairman Aho will contact Vakalis to request a presentation regarding school seismic-safety issues.
- Commission member Freed will check on state requirements regarding quorums, voting, and rules of procedures.
- New Action Items list will be sent out Monday, September 11, 2006
