NOTICE OF REQUEST FOR PROPOSALS: AIRBORNE GEOPHYSICAL SURVEY FOR PART OF THE MELOZITNA MINING DISTRICT, CENTRAL ALASKA *Parts of southeastern Melozitna and western Tanana quadrangles*

(Fairbanks, AK)—The Division of Geological & Geophysical Surveys (DGGs) is soliciting detailed proposals for a helicopter-borne geophysical survey. Resulting data will be processed into a variety of maps and digital files.

The Request for Proposals (RFP) will be posted on two State of Alaska websites: At the DGGs website <http://www.dggs.dnr.state.ak.us> under the "What's New" link and at the State's Online Public Notice site <http://notes5.state.ak.us/pn>, where the files will be attached to this notice. The Adobe Acrobat file contains the text and general location figures. This file can be accessed in both locations using the Adobe Acrobat PDF reader (available at no cost from a link on the DGGs page). The Autocad file, RFP2010-1000-8731Blocks.dxf, contains the block outlines and must be used for accurate location of the blocks. Datum and projection information for this file is NAD 27, UTM Zone 5N. If you have trouble finding or downloading the file, please call Simone Montayne at (907) 451-5036.

An RFP package may be obtained in person at the address below during regular work hours of 8:00 a.m. to 4:30 p.m., Monday through Friday, except State holidays. If technical problems prevent downloading, one copy of the RFP will be sent on request. The State assumes no liability for incorrect addresses or delivery of RFP packages by public or private carriers.
