Notice of Request for Proposals
Request for Proposals: RFP 2008-1000-7980

**Airborne Geophysical Survey of part of the Mentasta-Slana area, Chistochina mining
district, south-central Alaska**

The Division of Geological & Geophysical Surveys (DGGS) is soliciting detailed proposals for a helicopter-borne geophysical survey. Resulting data will be processed into a variety of maps and digital files.

The Request for Proposals (RFP) will be posted on two State of Alaska websites. The files for this RFP will be found at the DGGS web site <<http://www.dggs.dnr.state.ak.us>> under the "What's New" link. The files will also be available at the State's Online Public Notice site <<http://notes5.state.ak.us/pn>> where they will be attached to this notice. The Adobe Acrobat file contains the text and general location figures. This file can be accessed in both locations using the Adobe Acrobat PDF reader (available at no cost from a link on the DGGS page). The Autocad .dxf file, RFP2008-1000-7980Blocks.dxf contains the block outlines and must be used for accurate location of the blocks. Datum and projection information for this file is NAD 27, UTM Zone 6N. If you have trouble finding or downloading the file, please call Paula Davis at (907) 451-5053.

A package may be obtained in person at the address below during regular work hours of 8:00 a.m. to 4:30 p.m., Monday through Friday, except State holidays. If technical problems prevent downloading, one copy of the RFP will be sent on request. The State assumes no liability for incorrect addresses or delivery of RFP packages by public or private carriers.
