

Celebrate National Fossil Day

At the Alaska Geological Materials Center!

Saturday, October 19th, 10 am to Noon
Free Public Event for
Adults and Children 8
years and older.

Come See Alaska's
fossils, minerals, geologic history and more!!!

Get a guided tour of the Facility and find out how
4,000,000 pounds of research rocks help Alaskans.

There will be two audiovisual presentations:

10:00 am - Alaskan Dinosaurs by Anne Pasch

11:00 am - The Siberian and Uralian origin of
Alaska's Accreted Terranes by Robert Blodgett

Alaska Geologic Materials Center
3651 Penland Pkwy, Anchorage
(old Sam's Club near Northway Mall)
