

Geologic map of the western end of the northern Franklin Mountains anticlinorium, northeastern Brooks Range, Alaska

STRUCTURAL SYMBOLS

- strike of vertical bedding
- horizontal bedding
- strike & dip of bedding
- estimated strike & dip of bedding
- strike & dip of overturned bedding
- estimated strike & dip of overturned bedding
- axial trace of syncline
- axial trace of anticline
- axial trace of fold with beds dipping in the same direction (double arrow on steep limb)
- axial trace of overturned syncline
- axial trace of overturned anticline
- strike & dip of axial-planar cleavage
- trace of thrust fault
- trace of inferred thrust fault
- lithologic contact
- estimated lithologic contact

(2a) photo locality - see text
