

**EXPLANATION**

- Alluvium
- Slate, argillite, graywacke and limestone
- Limestone
- Limestone talus
- U.S.G.S. Sample lines
- Contact dashed where approximately located
- Strike and dip of beds

Recent  
Devonian

Approximate mean declination 1951

Topography from U.S.G.S. Healy quadrangle B-5, 1951

Geology by R.M. Moxham, 1950, 1951, W.S. West and A.E. Nelson, 1950 and R.A. Eckhart, 1951.
