

EXPLANATION

LINE 4-51-144
United Geophysical Co. party 144, 1951, line 4

Good reflection

NR
Point located but no seismic record

NS
Point located but not shot

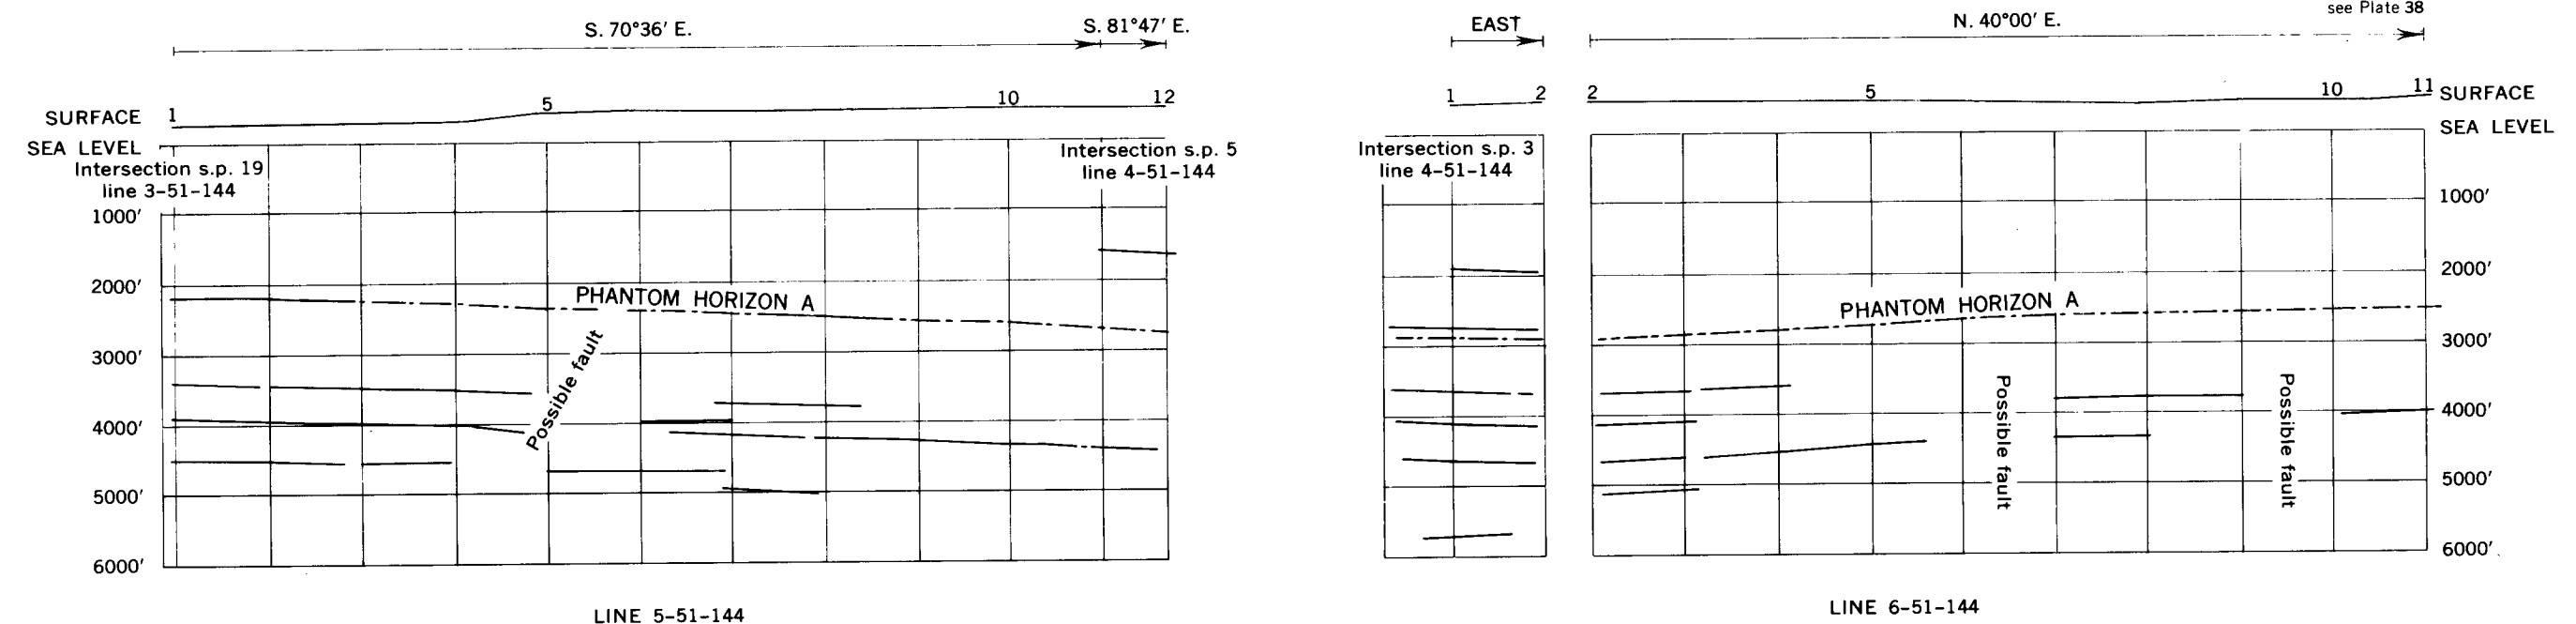

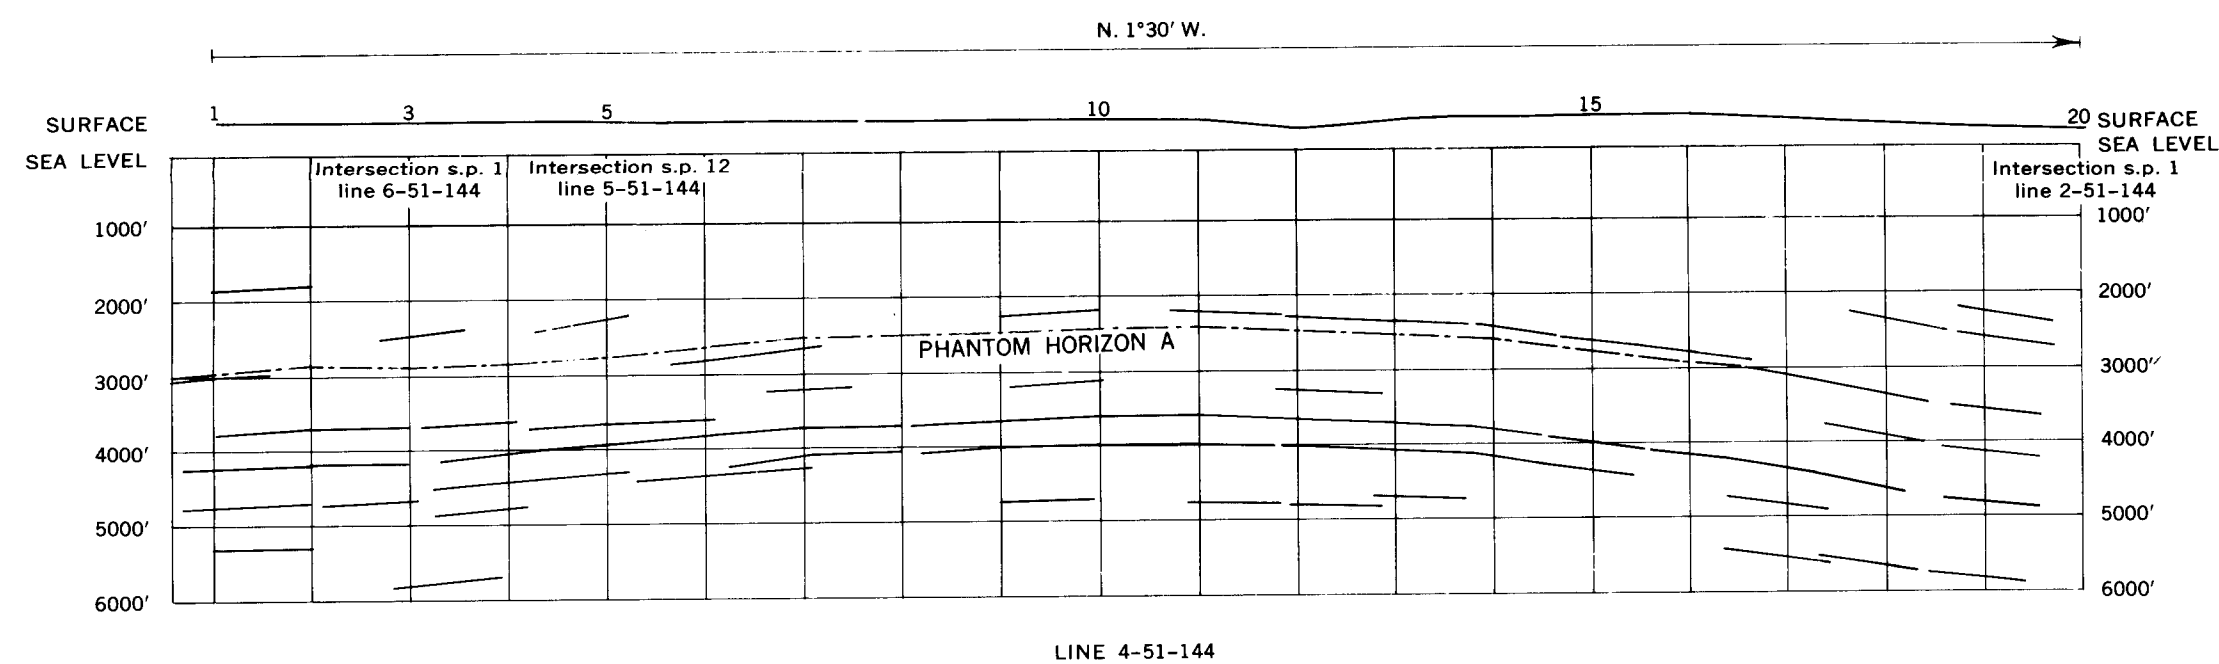

SURFACE
Ground surface

PHANTOM HORIZON A
Basal bed (?) of the Tuluvak tongue of the Prince Creek formation

Intersection s.p. 12 line 5-51-144
Shot points showing intersection with shot point 5 line 4, 1951

Gubik test well 1 at 1660'
Position of test well in relation to geophysical line

For geological location of all lines and shot points see Plate 38

SEISMIC REFLECTION PROFILES OF THE PART OF GUBIK ANTICLINE
BETWEEN THE COLVILLE AND ANAKTUVUK RIVERS

SCALE 1:31 250
