

FIGURE 22. -- Sketch map of placer claims and areas of anomalous platinum concentrations in churn drill samples from Salmon River placer deposits

0 .5 1
Scale, miles
Contour interval 50 feet

LEGEND

-  Mining claims mentioned in text
-  Approximate location of mining claims
-  Anomalous placer concentration platinum (greater than \$.10 per yd³ at \$.27 per oz)

NOTE ! Refer to appendix for analysis of churn drill samples
