Topography from 10-foot contour map of Anchorage provided by the City Engineer; modified from field notes, measured sections, and other sources. This topography and that of the U. S. Geological Survey map are not in agreement in all places.

Geology plotted from measured sections, well log data collected in the field, well logs open filed by the Water Resources Division, U. S. Geological Survey, and well data provided by the District Engineers, Elmendorf Air Force Base.

ISOMETRIC FENCE DIAGRAM THROUGH PART OF THE LOWLAND SOUTH OF ANCHORAGE SHOWING THE INFERRED EXTENT OF THE BOOTLEGGERS COVE CLAY, ALASKA
